

The Household Handoff Checklist

If you had to disappear for a week, could anyone else run this house?

1. The daily rhythm

What actually happens, and when.

Morning routine
Evening routine
Bedtime
Anything on a schedule

2. Where things live and how they get paid

The stuff that's only in your head because you set it up.

Bills and due dates
What autopays, what doesn't
Where documents are kept
Logins for shared accounts

3. The standing systems

The stuff that runs on autopilot, until it doesn't.

Chore rotation
Meal rhythm
Laundry schedule
Pickup / drop-off days

4. Who to call

For when something breaks, medically or otherwise.
